

Dear Artisan/Crafter:

Cocheco Valley Humane Society's 4th annual *Summer Sun & Fun Craft Festival* will be held outdoors on **Saturday, July 11, 2009** at **Calef's Field in Barrington, New Hampshire**. (*New this year: a rain-date is scheduled for Sunday, July 12th.*) This year marks our 25th anniversary...and we're planning to have this year's event be the biggest and best yet!

We will have over 80 spaces available. Space size is 10' x 10' for \$60.00. You are responsible for your own tent/canopy, tables and chairs.

Though we do not have an official jury process, we do want to present a quality show featuring locally made products. Therefore, we ask that **all crafters only sell their own handcrafted items**. Please - no manufactured or imported items are to be sold - **vendors may be asked for proof of craftsmanship prior to acceptance – or refused from the show**. Due to the nature of our work, we ask that you not sell any items made with real fur, bird feathers or animal bone. We will limit the number of crafters in each category.

We will promote the event on local radio and television stations, in local newspapers and magazines, and in New Hampshire tourism outlets and throughout the community. Last year we had over \$2,500 in donated radio and newspaper advertising for the event.

The show benefits the work of the Cocheco Valley Humane Society, a nonprofit 501(c)3 organization dedicated to promoting humane treatment of animals. Your booth fee goes directly to animal care, providing shelter, meals and preventative vaccinations as the animals await adoption into new homes. The Society's mission is to make possible a better world for all animals by providing shelter, educating the community about humane care and treatment, advocating animal welfare, and promoting the human-animal bond.

Cocheco Valley Humane Society serves all of Strafford County as well as northern Rockingham County and parts of York County. We care for over 2,500 animals annually. Our work is dependent on the generosity of our community members. **Revenue from our fundraising efforts contributes to 75% of our budget**. Successful events are vital for the shelter's sustained viability.

Feel free to contact me at 603-749-5322, ext. 113 or lclark@ttlc.net if you have any questions. We do hope that you will join us.
